

BULGARE

Bulgare's design has been inspired by snowballs.

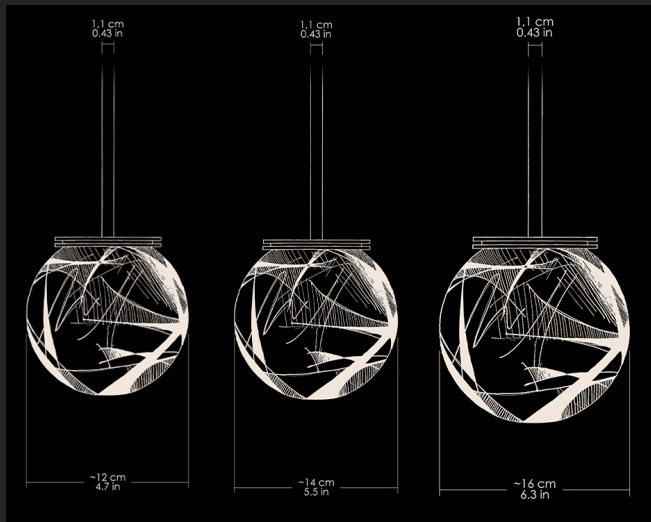

The central piece is represented by our Opoggio Crystal that illuminates. Just like snowballs, it can have an irregular spherical shape or an organic shape (on choice). Its simplicity is complemented by the intricate brass cover that houses the light bulb. It is connected to the ceiling via a solid brass tube that contains the electric cables.

"Bulgare" comes in three different sizes, 12, 14, or 16 cm (diameter) at choice.

OPOGGIO

Technical Details:

Cod. Led Opoggio-DDS1223

100-240V
Power Frequency
PWM - 300-10000 Hz
(recommended 3000 Hz)
24 Vdc - 4W 500 Lumen

Dimmable power PWM

Extra warm light (2700 K)
Warm light (3000 K)
Natural light (4000 K)

Light temperature is Fixed

US VERSION AVAILABLE
