

FLAMINGO

Flamingo is a reinterpretation of the design of “She”, one of our first wall lamps. It has the intent to decorate and become a statement piece in its environment.

Its middle piece is made of wood, volcanic rock, and aluminum. It is covered with parallel brass bars that continue onto the Opoggio Crystals. This makes them appear as extensions of the middle piece creating a sense of continuity.

Its design is focused on the Opoggio Crystals as they represent the most substantial part of the lamp. This allows the viewer to observe them in all their complexity.

Technical Details:

Cod. Led Opoggio-DDS1220

100-240V
Power Frequency PWM - 300-10000 Hz
(recommended 3000 Hz)
24 Vdc - 5/8W - 700/1600 Lumen

Dimmable power PWM

Extra warm light (2700 K)
Warm light (3000 K)
Natural light (4000 K)

Light temperature is Fixed

US VERSION AVAILABLE

Available finishes:

- Matte white – made of brass
- Matte black – made of brass
- Aged/patinated brass
- Aged/patinated copper
- Other colors available on request
