

NANNOHAH

Nannohah is our first floor lamp design and after refining its proportions, we present to you its latest iteration.

Standing over 190 cm tall, Nannohah makes its presence noticed in any room. It is ideally placed near a couch, table, or bed as it both illuminates and decorates the room, acting as both a technical and a design piece simultaneously.

It is covered with brass bars which add depth to its light.

Each bar has 5 mm by 5 mm (0.2 in by 0.2 in).
