

OPOOOIO

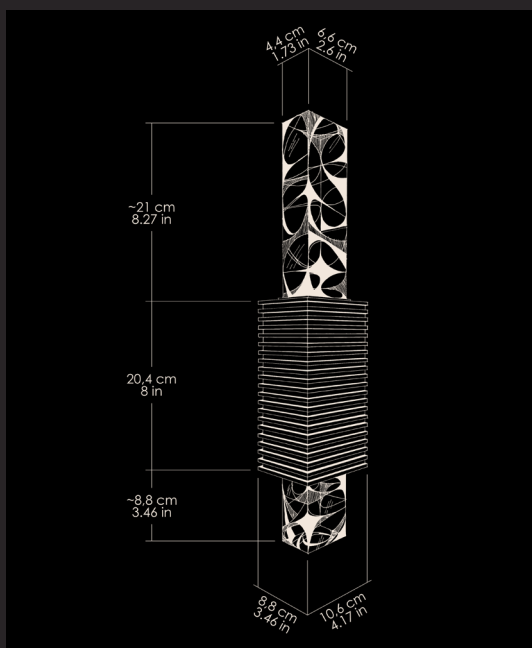

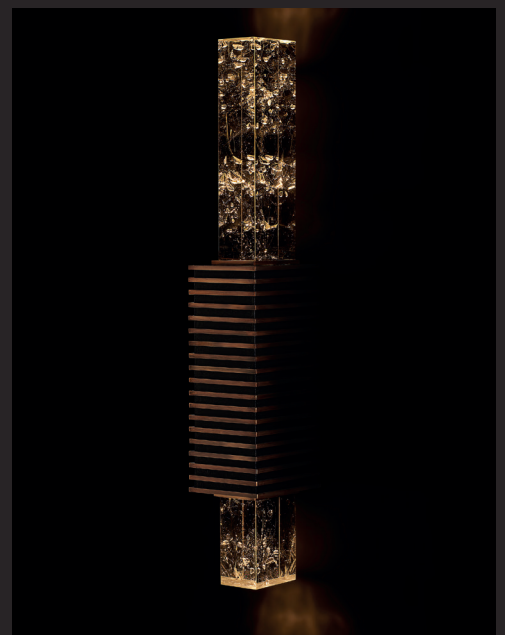

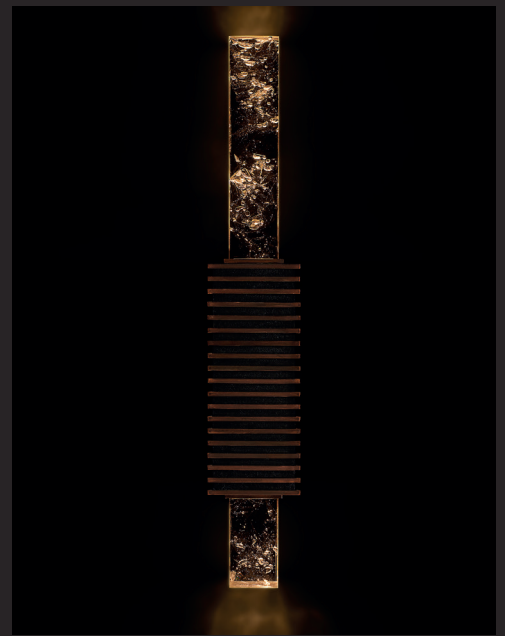

SHE

**She** and **He** are two wall lamps that have been designed and evolved together.

The main difference between the two is their proportions, which define their distinct characters.

Thinner and longer She is designed to focus the viewer on the Opoggio Crystals which illuminate. They are found at the top and bottom of the lamp.

Its centerpiece is made of wood and volcanic rock and decorated with parallel brass lines across its entire surface.

**Technical Details:**

Cod. Led Opoggio-DDS1221

100-240V  
 Power Frequency PWM - 300-10000 Hz  
 (recommended 3000 Hz)  
 24 Vdc - 2,5/5W - 300/700 Lumen

Dimmable power PWM

Extra warm light (2700 K)  
 Warm light (3000 K)  
 Natural light (4000 K)

Light temperature is Fixed
